

Dear Sir/Madam,

Willamette Valley Water Polo Club has been providing a positive, competitive water polo experience for youth in Albany, Corvallis and Salem for over 10 years. Our volunteer coaching staff is experienced and well trained and has been an integral part of USA Water Polo's Olympic Development Program (ODP) since its introduction in the Northwest. Our club's goal is to provide a positive place for young athletes of all ages and abilities to learn and compete in the sport of water polo through an experienced coaching staff.

We are seeking sponsors for our 4th Annual Nike Open Water Tournament to be held July 13-15, 2015 in Foster Lake outside of Sweet Home, Oregon. This tournament has become a premier tournament in the Northwest and is growing each year. Teams from all over the states will descend on the lake starting Sunday night and will camp and play games in the only two full open water courses in the United States. Over 30 teams are expected for this year's event which will bring over 500 players coaches and chaperones to the area, not to mention all the parents, grandparents and siblings that come to support them. This type of event takes lots of support and we are actively looking for that help from the local communities. We have a number of levels in which you can help and we will recognize you based on the level you choose.

Willamette Valley Water Polo Club is a non-profit 501(c) (3), TAX ID 46-0487792 athletic program open to all youth and adults in the Willamette Valley. Your support of this important fundraising event for our club is greatly appreciated.

Sincerely,
Steve Sessa
